(the episode begins with Lock, Juzan, Breta, and Tino in the waiting room)

Lock: All of us in the final four, this is great.

Juzan: Don't worry Breta, I'll end our match quick and painless.

Breta: (rolling her eyes) Oh please.

Lock: I can't wait to see your match.

Tino: Yeah, same here.

Headmaster Ozana: It's now time for the tournament to continue, only four students remain. Let the best fighter win.

Musa: The first match in the semi-finals is Juzan vs. Breta.

(they both start to walk to the ring, the crowd is completely divided as the girls cheer for Juzan and the boys cheer for Breta)

Lock: Do your best you two!

Tino: Put on a good show.

Juzan: Don't worry, we'll make it one to remember.

Breta: Definitely.

(both fighters get into the ring and make fighting stances)

Juzan: You know, normally I wouldn't fight against a girl, so if you want I'll let you forfeit before we start.

Breta: No thanks Juzan, I wouldn't be much of a martial artist if I quit before even trying. Just think of me the same as any other opponent.

Juzan: You might regret saying that once we get going.

Breta: I might, then again we'll never know until we get going.

Juzan: (thinking) Breta can probably match my speed, but I don't think she has the strength I have, especially since I'm one aura level above her. As long as I keep pressing the attack I should win. Maybe she'd date me after she sees how powerful I am?

Breta: (thinking) Okay, this match will definitely be a step up in competition, and the fact that Juzan is one aura class ahead of me doesn't help either. My best chance is probably to hit and run, hopefully he's overconfident because of his superior aura level.

(both fighters charge their auras)

Musa: I'm greatly looking forward to this. Both of them won their matches easily, it will be interesting to see how they react to a difficult opponent.

Ms. Hancock: Yes.

Headmaster Ozana: Begin!

(all the students watch on closely, the girls in the audience are cheering for Juzan as always and the boys for Breta. Juzan flies at Breta and to his surprise, she is able to block his kick. He tries to hit her a few more times, but she blocks all of his moves. Juzan does a back-flip to avoid her kick and lands in a fighting stance a good distance away.)

Juzan: Hmm, not bad.

Breta: Same to you.

Tino: Who do you think will win this match, Lock?

Lock: Honestly I don't know, Juzan's stronger but I've learned over the years to never count Breta out. Her speed is always top notch.

Tino: I know what you mean, I think it could go either way. Only time will tell.

(both fighters fly at each other and engage in quick punches and kicks for a while. Both trade blows and they each suffer a few hits. Juzan jumps up and tries a downward punch on Breta, who cartwheels out of the way. Juzan then tries a clothesline but Breta does the splits to avoid that, when Juzan turns around Breta knocks him back by giving him a handstand kick to the face which gets a roar of boos from all the girls watching.)

Girl 1: Hey watch his face!

Girl 2: Come on Juzan, get her!

Lock: Yeah, keep it up Breta!

(they separate again, but only for a second as they fly at each other again only to engage in more quick action fighting. They continue to battle back and forth until Juzan gains the advantage by scoring a few hits on Breta. She takes to the air to escape, Juzan follows and Breta shoots energy blasts at him as he flies at her. Juzan warps out of the way of the blasts and he and Breta punch each other in the air at the same time when he reappears, they continue to fight at a fast pace as all the students look on with awe.)

Musa: It's amazing how far both of these fighters have progressed since they first began their training here. I can still remember when those two struggled with the concept of spirit energy, and now look at them.

Ms. Hancock: They are both a testament to hard work combined with natural ability.

(as Juzan and Breta continue to match each other blow for blow, the advanced class watches on with awe, some of the students Juzan and Breta eliminated talk about the fight)

Student 1: Man, look at them go, no wonder I didn't last long.

Student 2: Yeah, no kidding. Those two are on a different level for sure.

Student 3: And this is only the semi-finals, now I'm starting to like our chances in the grand tournament.

Student 1: By the way, did you see that splits Breta did earlier? Such flexibility. (he whistles through his teeth while the other guys stare at him)

(Juzan and Breta continue their fight in the air. Each time one attacks, the other uses the after-image technique to avoid the hit. This continues for a while until Juzan fires two blasts into the air, blocks Breta's punches y grabbing her fists and holds her until the two blasts come back down and strike her in the back.)

Juzan: Hey, if I win how about a date?

(Breta responds by kicking him in the face with both feet, breaking his grip on her. As Juzan is falling he grabs one of her legs and swings her around, releasing her with a throw. Juzan warps above her and is about to hit her with a double axe-handle until Breta does a back-flip kick, hitting him in the head. She tries to punch him but Juzan blocks her fist and kicks her in the stomach. Juzan tries to heel-kick her as she's falling but she warps behind him and tries a kick, which Juzan blocks, the two trade fast blows again.)

Lock: Juzan has the advantage in strength, but in terms of speed Breta has the advantage.

Tino: Juzan should put more spirit energy into his movements, that would give him the advantage in both.

Lock: But if he did that he would lose the large advantage in power he has, he's got to find a fine line in between. Although that's easier said than done.

Headmaster Ozana: They're great. Now this is the kind of fight I've been waiting to see all tournament. Any predictions on who will win?

Musa: The fight is too even to call now.

Ms. Hancock: I agree.

(the fight in the air continues until Juzan is finally able to land a good kick which sends Breta back to the ring floor. Everyone watches on with awe. Juzan lands and both fighters get into stances, they both seem a bit winded.)

Juzan: How are you so quick? You block me even when I warp behind you.

Breta: It's your cologne, I know you like to be a ladies man but I can smell you coming every time. Combine that with my natural women's intuition and you'll never catch me by surprise.

Juzan: I see...I guess now would be a good time to let you in on a little secret, I've been holding back.

Breta: What?

Juzan: Sorry, but I didn't want to ruin your pretty face, but now I know you can't be taken lightly, so get ready for my full aura power.

Breta: Well, maybe I should let you in on a little secret too.

Juzan: Oh?

Breta: You're not the only one who's been holding back.

Juzan: What's that?

Breta: Yeah, I didn't want to embarrass you in front of all these girls since we're friends, but I agree it's time to take things up a notch. No more holding back, okay?

Juzan: Sure.

(they both charge their auras heavily for a bit)

Lock: This has really been some fight.

Tino: Yea, and they weren't even using their maximum aura power.

Ms. Hancock: Looks like the warm-up round is over.

Musa: Now we'll see who the better fighter is.

(in the ring, Breta attacks Juzan but he warps out of the way and hits her from behind, she stops herself from falling and the two continue their battle at a fast pace. Both try to blast the other at point blank which results in an explosion that sends both to opposite sides of the ring. They both recover and fly at each other, landing kicks at the same time in each other's face. Juzan recovers faster though, and attacks Breta who is caught off-guard. She gets hit many times and Juzan knocks her on the edge of the ring with a springboard kick.)

Juzan: Time to end this!

(he flies at her, focusing his spirit energy into a punch that will surely knock her out of the ring)

Breta: (thinking) He's got me.

Lock: Get up Breta!

Musa: Unless she comes up with something in a hurry, she's finished.

(Juzan is fast approaching)

Breta: (thinking) Desperate times call for desperate measures...in this case *extremely* desperate measures.

(right before Juzan punches, Breta jumps up and plants a kiss on his lips, Juzan is completely stunned, along with everyone else in the stadium)

Tino: No, she didn't!

Lock: I didn't see that coming.

Tino: (thinking) I wish that was me in the ring right now.

(Juzan is still stunned, and all the girls are booing Breta harder than ever)

Juzan: What was that?

Breta: Surprised?

Juzan: Yeah. (thinking) I knew it! Once she saw how powerful I was she fell head over heels for me!

Breta: (her arms are around Juzan) Well, I have one more surprise for you.

Juzan: Oh yeah?

(Breta smiles and then monkey-flips him over her head, Juzan is taken completely by surprise and looks about to land out)

Musa: Well, at least she's resourceful.

Ms. Hancock: I told him never to drop his guard, no matter the situation.

Headmaster Ozana: I wish women did that move back in my day.

Ms. Hancock: (smirking) Juzan losing to a kiss, talk about irony.

(Juzan is falling out of the ring, he is only able to stop himself literally inches from the floor by uses the teleportation technique)

Breta: (surprised) What? How did he manage to stop himself in time? There's just no way.

(Juzan reappears back in the ring, very embarrassed)

Breta: (annoyed) That was supposed to be the end of this fight.

Juzan: So that kiss was really for nothing? You just used it to trick me!

Breta: Worked pretty well, didn't it?

Juzan: No girl makes a fool out of me!

(Juzan gets mad and attacks, Breta warps into the air to avoid his initial punch and Juzan instantly flies up after her. The two go back and forth trading fast blows, all the girls are giving Breta a real hard time, Breta warps from another hit and lands, as does Juzan, Breta then fires an energy blast that Juzan hardly has to dodge.)

Juzan: That was a poor shot. You missed completely.

Breta: (smirking) Did I?

(Juzan looks behind him to see that her blast hit the girls that were booing her)

Breta: (sarcastically) Whoops. Although...they may not like you anymore since you just kissed another girl in front of them.

(Juzan angrily attacks and the fight continues evenly at a fast pace until Juzan kicks her away a good distance. Both fire one energy blast at the other. The blasts hit evenly and Juzan and Breta are locked in a power struggle until Juzan fires blasts from his eyes, which Breta dodges. Breta then uses her other hand to fire a blast that hits Juzan in the face.)

Breta: (sarcastically) Sorry, did I just mess up your hair?

Musa: She's playing mind games with him now. He has a strength advantage over her so she's getting into his head and making him make mistakes.

Ms. Hancock: Men, so easy to manipulate.

(Headmaster Ozana looks at her)

Ms. Hancock: Sorry.

(she winks at Musa who snickers)

Lock: First Juzan was in control, and now Breta is.

Tino: Even if Juzan loses, he got a kiss from Breta so it won't be a total loss.

Lock: (laughing) That's true, I never thought of it like that. And knowing Juzan, he'd probably rather have the kiss.

(back in the ring both fighters are flying at each other at tremendous speeds, they both use the after-image technique every time they engage and the result is what appears to be dozens of Bretas and Juzans flying through each other. Finally a huge explosion in the middle of the ring sends Juzan to the ground as Breta gets back into stance.)

Lock: Juzan's in trouble.

Tino: I think he's still a bit weak in the knees.

(back in the ring the two continue to trade blows, eventually Breta warps behind him and gets him into a headlock)

Ms. Hancock: Juzan should know better than anyone how to break this hold.

(Juzan instantly tries to stomp her foot, but Breta knew that was coming and moves her foot before he can hit her. She steps down on his kneecap, bringing him down to one knee, Breta now has a lot of leverage on her headlock and Juzan seems in a lot of trouble.)

Musa: I thought he knew how to break a headlock?

Ms. Hancock: He does...but so does Breta, she knew what he was about to do and countered effectively.

Juzan: (thinking) If I don't break this hold soon I'll be done for. Losing to a girl...in front of many girls! No! I won't let that happen!

(Juzan charges his aura and although Breta tries to keep him down Juzan is able to break the hold and grabs Breta, throwing her into the air)

Juzan: Take this!

(he fires a two-handed blast at her, and she fires one of her own, the two blasts hit each other and eventually Juzan's is able to overpower hers and although Breta warps away from the oncoming blast, it blows a hole in the ceiling)

Headmaster Ozana: My roof!!! I should disqualify both of them!

(Musa and Ms. Hancock just smile)

Headmaster Ozana: Every year some part of the school gets blown up! Can't one tournament go by where I don't have to buy a replacement wall or ceiling!?

(Breta lands and the two attack each other again, fighting at a fast pace all over the ring and in the air as well)

Lock: I have no idea who's going to win, this is so close!

(all the students really start to get into the match, most of the boys cheer for Breta, while the girls cheer Juzan as the battle goes on, both fighters are taking hits and things seem pretty even, Tino begins to look around at all the people watching, they all seem very into the match, everyone's eyes are fixed on the two fighters.)

Tino: (thinking) No one's really paying attention. I've just got to say it. I've got to let it out.

(he looks around again, everyone is cheering their heads off while focused on the match)

Tino: WIN BRETA I LOVE YOU!

(the entire crowd stops dead and everyone stares at Tino, including Juzan and Breta, Tino doesn't say anything, he just blushes. Breta doesn't know what to say, she's blushing, and from behind Juzan trips and pushes her, and she falls out of the ring. The building is silent and shocked. Breta slowly gets up. Juzan celebrates and the crowd cheers for him. Breta walks over to Tino.)

Tino: (blushing) So...

Breta: (angrily) Run.

Tino: What?

Breta: I'm giving you a head start before my overwhelming rage takes control.

Tino: (quickly) Yeah. (he runs...and she chases him all over the place)

Lock: Keep running!

Ms. Hancock: She's going to kill him once she catches him.

Headmaster Ozana: What in the world is going on here? This is a martial arts tournament not a school prom.

Juzan: (thinking) I won the match and got a kiss from Breta, talk about a win-win situation.

(in the ring Juzan looks over at Lock who's laughing at the Tino/Breta situation)

Juzan: (thinking) You better win your match Lock, I want you in the finals.

(the episode ends with Tino running for his life from a furious Breta as Juzan celebrates)
