(the episode begins with Lock unpacking at Musa's house, Lock still looks very depressed)

Lock: I still can't get over what happened at the tournament.

Musa: There's nothing we can do about it now Lock. It does us no good to think about the past, if you're going to succeed next year you have to look to the future.

Lock: (sighing) Yeah, you're right.

Musa: Look, believe me I know how you feel. When I fought against Drakon in the grand tournament it was the same deal.

(a flashback scene is shown with a younger Drakon and Musa fighting. Both are winded, Drakon removes a small pouch from his belt and pours something into his hand, Musa flies at him to attack and Drakon releases a small dust cloud from his hand that blinds her. She staggers back rubbing her eyes and Drakon uses the Serpent's Fist to punch her in the face, knocking her from the ring. The flashback ends.)

Musa: And of course the wise tournament committee claimed they never saw him use anything illegal. But at least I got to see him fall the next round when your father pounded him into the ground and became the grand champion.

Lock: Yeah, I don't think my dad ever lost a fight in his life. I wanted to win the tournament so badly to make him proud but I guess I failed him.

Musa: Don't say that. You're still very young Lock. Remember this was only your first year training with spirit energy. You'll be back in the tournament again and I'm sure the next outcome will be different.

(as Lock finishes unpacking he notices a special looking patch with martial arts symbols on Musa's desk)

Lock: Hey, what's that for?

Musa: (immediately putting it away in one of the desk drawers) Nothing, just something from my past.

(Lock is about to say something else but she cuts him off)

Musa: It's time to get to work. You won't get stronger by just sitting there.

Lock: Right.

(the scene then shows them outside)

Musa: Let's start with a little sparring.

Lock: (getting into stance) Okay.

(the two begin to spar as the scene changes to Juzan, who is driving Breta and Tino for a bit until they land in front of a beach house)

Juzan: Here we are. My sweet, sweet bachelor's pad.

Breta: Wow, this place is really nice. And you have this entire house to yourself?

Juzan: Yeah, last summer my parents wanted me to get my own place. And luckily I had enough saved up for this little beauty.

Tino: That's awesome, I had a lot of money saved up too but I blew it all on acne cream.

Juzan: Did it work?

Tino: Nope, but I have a good feeling about these growth pills I just bought.

Juzan: I don't need growth pills, I'm big enough already.

Tino: Yeah hopefully I'll get much taller.

Juzan: Taller? Oh, you mean pills to make your height grow.

Breta: What did you think he meant?

Juzan: Umm...not that.

(after a few seconds Breta and Tino just make disgusted sighs. Juzan leads them into his house.)

Juzan: There's only one extra bedroom, so someone's going to have to sleep on the couch.

Breta: Well it's not going to be me. Women just don't sleep on couches, that's for men to do.

Tino: Fine, I'll take the couch.

Breta: Thanks.

Juzan: You know Breta, we could have Tino take the guest room...and you can sleep in my room.

(Breta just glares at him)

Juzan: Hey, you can't blame me for trying.

Breta: Yes I can.

(Tino notices some adult magazines on the coffee table)

Tino: Hey, what are these?

Juzan: Nothing!

(he quickly grabs them all and throws them into a closet and then puts a lock on the door)

Juzan: Never go in there!

Breta: Come on, let's just hit the beach. After a tournament like that all I wanna do now is relax.

Tino: Yeah same here.

Breta: (looking at the two rooms) Which one of these is mine?

Juzan: The one on the right. Here, take this, it goes in the room. An old girlfriend gave it to me, I call him Mr. Huggles.

(he tosses her a teddy bear)

Breta: That's so cute Juzan. (she heads inside)

Juzan: (eagerly rubbing his hands together) Perfect.

Tino: What are you doing?

(he walks over to a switch and presses it, all of a sudden romantic music starts playing, the walls in his living room rotate around, revealing a mini bar and a leopard skin bed)

Juzan: (pressing the switch again) Oops, wrong switch.

(he presses another one and a wall painting rotates, revealing a control panel system, he presses a button and the teddy bear eyes light up and look around...showing Breta's room on Juzan's control screen)

Tino: What's that?

Juzan: The best home entertainment system in the world!

Tino: That's terrible Juzan! You're completely betraying her trust! And I for one refuse to watch...(Breta sets the bear down on a dresser and the camera view is momentarily her chest)...for more than a few minutes!

(in the other room Breta sets the teddy down on a dresser and turns around, beginning to unpack. Outside Juzan keeps pressing buttons and the bear's head turns to watch her. Breta stops and turns around and the bear's head quickly goes back to the normal position. Breta then goes back to unpacking and the bear's head turns to watch her again...and Breta once again looks behind her as the bear's head quickly goes back to the normal position.)

Breta: (thinking) Did that bear just move its head? Nah, it's probably just my imagination.

(she goes back to unpacking)

Juzan: (watching on the monitor) Come on! She's not doing anything! (calling into her room) Breta, I wanna get to the beach soon so hurry up and change your clothes, you can finish unpacking later.

Breta: (calling back) Okay.

Juzan: Hehe, now I'll get to see something.

Breta: (thinking) Wait...how did he know what I was doing?

(Breta opens her door and comes out, Juzan and Tino instantly stand in front of the screen, hiding it from her)

Breta: How did you know I was unpacking?

Juzan: Um, well for someone as organized as you are, I guess I just figured that would be the first thing you'd do.

Breta: Alright. Where's your bathroom Juzan? I think I'll change there.

Juzan: It's down the hall, but why don't you just change in your room?

Breta: (suspicious) Does it matter?

Juzan: No, of course not, what do I care where you change your clothes?

Breta: Good. (she heads down the hall)

Juzan: Damn, she's already suspicious.

Tino: If she caught us we'd be so dead.

Juzan: She won't, girls find Mr. Huggles too cute to suspect him, hehe. I'll get her next time.

(the next scene shows the three at the beach)

Juzan: Ahh I love the beach. There's no place better to pick up hot girls.

Tino: Yeah, just give me one minute to find someone.

Juzan: No way, I'll be the first one with a date hands down.

(Juzan removes his shirt and a host of girls flock to him)

Juzan: See what I mean.

Breta: Watch and learn.

(she takes off her shorts and shirt to reveal her swimsuit and a host of boys flock to her)

Tino: Oh yeah? Big buff Tino's stepping up to the plate now!

(he takes off his shirt too and flexes his scrawny muscles...making all the boys and girls run away...Tino puts his head down in shame)

Juzan: Hey, since we're all looking for someone, why don't we make this interesting?

Tino: What do you have in mind?

Juzan: I don't know, something like whoever gets a date first wins.

Tino: And what does the winner get?

Breta: When the time comes, let them pick anything they want.

Juzan: (raising an eyebrow looking at Breta) Anything you say?

Breta: Well, not *anything* you pervert.

Juzan: You two don't stand a chance, this is gonna be too easy.

Breta: I doubt it, no guy has ever turned me down.

Juzan: Well it should be interesting then, because no girl has ever turned me down either.

Tino: Yeah, and no girl has ever...um...crap I'm gonna lose.

(Breta and Juzan laugh and then the three go their separate ways as the scene goes back to Lock and Musa sparring)

Musa: (knocking him back) You're going to have to do much better than that.

(Lock gets back up and has a quick flash in his mind of Rondo laughing, Lock then gets determined and charges back at Musa as the scene goes back to the beach. Breta is sitting with a boy.)

Breta: What a beautiful day.

Boy: Yeah, hey, do you wanna help me save the environment?

Breta: Um, okay.

Boy: Great, we can conserve water by showering together!

(Breta just makes a disgusted face and smacks him, sending him flying into the water)

Breta: What a jerk. Aren't there any decent guys left in the world? I mean what kind of an idiot would think a line like that would actually work!?

(the scene instantly changes to Juzan who is with a girl)

Juzan: Because we can conserve water by showering together!

Girl: Great! I'm all for it.

(all of a sudden someone grabs Juzan by the ear, it's a very fat lady)

Woman: That's my daughter!...besides, if you like my girl, why not give me a twirl?

(Juzan just makes a horrified face and sprints away as fast as he can as the scene switches to Tino)

Tino: (spotting a girl) Okay, I need something really catchy to impress this girl. Hmm, what would Lock do in this situation?

(Tino then pictures Lock approaching her)

Lock: Hi! My name's Lock. Wanna spar?

Tino: Well that doesn't help at all.

(all of a sudden Tino notices the girl looking at him, she smiles, so Tino does too. Then the girl waves, so Tino does.)

Girl: It's you! I thought I recognized you, have you been working out, you look fantastic!

(she gets up and starts running over to Tino with her arms out, about to hug him. Tino opens his arms to hug her back...and she just knocks him out of the way and hugs a muscular guy who was standing a bit behind Tino.)

Guy: Hey babe, wanna go for a swim?

Girl: Sure!

(they head off, both step on Tino as he tries to get up, never even noticing him. After they walk off Tino sticks his head out of the ground and spits out sand.)

Tino: Just wait until those growth pills take effect! Then we'll see who's getting the women!

(Tino angrily walks away, and as he does he accidentally steps in a little girl's sandcastle)

Little Girl: Hey! You smashed my castle!

Tino: Oh, sorry. Here, I'll help you fix it.

(Tino sits down and begins to rebuild it with her and in no time it's done)

Tino: There, better than ever. A fine kingdom for any prince and princess.

Little Girl: You're my prince. (she kisses him on the cheek)

Tino: Uhh... (all of a sudden he sees Breta and Juzan) Hmm, hey would you say that again in front of those two people for me?

Little Girl: Anything for you.

Tino: Hey Juzan! Breta! Read em' and weep!

Little Girl: I love him, he's my prince and we're going to get married and live in our castle.

Breta: Uhh, Tino, is this a joke?

Tino: No, I'm the winner of our little bet.

Juzan: She doesn't count, she's just a little girl!

(the girl kicks Juzan in the leg)

Little Girl: He's my boyfriend!

Breta: I hate to say it, but I think he technically wins.

Juzan: (sighing) Fine, let's get out of here anyway. There are too many horny mothers out today anyway. And I don't mean attractive horny mothers, I mean horny mothers the size of whales.

Breta: Horny mothers? Exactly who were you trying to get a date with?

Juzan: Never mind.

Tino: (to the girl) Hey, I have to get going now, but I'm sure you can find someone better to be your prince.

Little Girl: You don't like me?

Tino: Umm...(thinking) What can I say that will let this girl down easily, I don't want to hurt her feelings.

(Tino doesn't know what to say so Juzan steps in)

Juzan: He's gay.

(the girl makes a surprised face and then runs off)

Juzan: (patting Tino on the back) There you go, works every time.

Breta: Hey Tino, that girl was just looking at you.

(Breta points over to a really good looking girl that is smiling over at Tino)

Tino: (happily) Really?

Juzan: (confused) Really?

Breta: Yeah.

Juzan: Wow she's hot. She was probably looking at me though.

Breta: (to Tino) Well, go over and say something to her.

(Tino approaches her)

Tino: Um, hi...I couldn't help but notice you looking in my direction.

Girl: Yes I was. I think you're really cute, too bad I just heard you're gay.

Tino: Um...well, actually...

(Juzan instantly jumps in front of him)

Juzan: Yeah, too bad he's gay. Which he *definitely* is. Me on the other hand...

Tino: He's gay too. (he puts his arm around Juzan) We're lovers.

Girl: Too bad.

(she walks off, and Juzan shoves Tino off and the two argue/fight, the scene changes back to Lock and Musa, she's watching him doing punches and kicks in the air)

Musa: Keep the correct form Lock. Don't let those punches and kicks sag just because you're tired.

Lock: Alright.

Musa: Before the new semester starts Lock, I want you to have a red aura.

Lock: (stopping his training) Red? But that's your level. You really think I can get that strong?

Musa: Oh I'm sure before long you'll be stronger than me, in fact, I want you to have a silver aura by the time the next tournament comes around. That's what your father had the year he won, same with Ms. Hancock.

Lock: Okay, I'll try.

(he continues to train as the scene goes back to the others entering Juzan's house in their bathing suits and towels)

Breta: I've got the shower first.

Juzan: (sitting down on the couch and turning on the tv) Okay. (thinking) Great, when she's done I'll have another chance to try Mr. Huggles.

(as Juzan watches tv Tino catches up with Breta before she leaves)

Tino: (whispering) Breta, there's something I've got to tell you.

Breta: What?

Tino: (whispering) Shh.

(he leads her into the hallway and makes sure Juzan isn't looking)

Tv announcer: And we're back to the sport of champions...Olympic monkey boxing. Tonight the main event features the Guerilla Warrior, a fearless primate known for striking when his opponent least expects it...against Dynamite Darwin, who theorized he'll evolve into the gold metal winner.

(the match begins and the two monkeys fight as Juzan laughs)

Juzan: This is great!

Tino: (whispering) I'd feel guilty not telling this to you.

Breta: (whispering) What is it?

Tino: (whispering) Juzan didn't know what you were doing in your room because of a lucky guess or a psychic vision.

Breta: (shocked) You mean he was spying!?

Tino: That's right. It's the second switch on the wall.

(Dynamite Darwin takes out banana nunchucks and starts to hit the Guerilla Warrior, knocking him out and winning the match as Juzan laughs)

Breta: What the hell is wrong with you Juzan!?

Juzan: What? You don't like monkey boxing?

Breta: No, I mean how do you explain *this*?!

(she hits the switch and the walls rotate again, playing romantic music as the mini-bar and the leopard skin bed are revealed)

Juzan: Well...it just wouldn't be a complete bachelor's pad without-

Breta: Wrong switch...although this raises even more questions.

(she presses the other one and sees the screen showing inside her room)

Juzan: Tino! You didn't!

Tino: Sorry, I had to. My conscience was killing me.

Breta: Just when I think you're actually a decent guy I find this out!

Juzan: (stumbling with his words) What's that? I've never seen it before...um, it was there when I moved in I swear...um, Tino made me do it!

Breta: I mean where would you even put a hidden camer-(realizing the answer right then)-that stupid bear!

(she runs into her room as Juzan frantically runs after her. Breta grabs the bear and rips the head off, revealing the camera.)

Juzan: Mr. Huggles!

Breta: I knew it!

(Breta throws the decapitated bear at him and slams the door...then opens it, stomps down the hallway into the bathroom, and slams the door)

Juzan: (sarcastically to Tino) Thanks a lot.

Tino: You know it was the right thing to do.

Juzan: My poor bear...he's peeping angles now.

(Tino shakes his head as the scene changes to Musa's house, Musa is reading while Lock is meditating with his aura on, he thinks about Rondo holding the championship and his aura expands a little)

Lock: Let's keep sparring, I'm done resting.

Musa: Are you sure?

Lock: Yes, positive.

Musa: Alright.

(they both charge their auras and fly at each other as the scene goes back to Juzan's house where Juzan and Tino are watching tv. Breta comes out of her room. Everyone has changed their clothes.)

Juzan: (to Breta) Calmed down?

Breta: I will be in a second...(to his horror she blasts his control panel)...now I'm good.

Juzan: My peeper three-thousand! It's gone...all gone!

Breta: Get over it.

Tino: So, what are we going to do tonight?

Juzan: (talking about the destroyed screen) I should go buy another one of these.

Breta: Over my dead body!

(the tv goes to a commercial...it's for the action man movie)

Tino: Hey, Action Man is making a movie!

Juzan: I can't believe I forgot this comes out tonight! That's it, we're going to that tonight.

Breta: No, that's dumb. Let's see a movie with romance, I hear Diaries of the Rose is supposed to be good.

Juzan: Action Man!

Breta: Diaries of the Rose!

Juzan: Action Man! You owe me for destroying my peeper three-thousand!

Breta: Diaries of the Rose! You owe me for trying to watch me undress!

Juzan: Hey, let Tino pick. He won the bet today.

Breta: Fine. (putting her arm around him) You don't wanna see Action Man do you?

Tino: (blushing) Well...I guess we could go see Diaries of...

(all of a sudden Juzan moves Tino's face so he notices the Action Man commercial)

Commercial Voice: And making her debut in the Action Man movie...Action Woman!

(a sexy girl with a skimpy superhero outfit is shown)

Tino: We're seeing Action Man!

Juzan: Yes!

Breta: (shaking her head) Perverts.

(the next scene shows the three watching the Action Man movie, the theme music is played)

Singer: Action Man, Action Man, he can do anything, yes he can! Sidekick Boy, Sidekick Boy, his little sayings just annoy! Action Woman, Action Woman (pause)...she hates evil slime, we wish we could think up something better but we can't rhyme!

(Breta just sighs, she's completely bored as Juzan and Tino watch on with glee)

Action Man: This is the most horrible thing that has ever happened to this city...at least until our sequel comes out.

Sidekick Boy: It's amazing how every single villain we ever put in jail has escaped. I think not putting bars on the windows was a bad idea.

Action Man: Or was it?

(a tumbleweed blows by during the long silence)

Action Woman: The horror! Those villains stole my costume so now I can only wear this skimpy shirt and mini skirt!

Juzan: This is the single greatest movie ever made.

(the scene goes to Lock and Musa sparring at a very fast pace)

Musa: Keep it up Lock, don't give in.

(the scene goes back to the movie, the heroes are facing off against the villains)

Action Man: We meet again evildoers. I can't believe you all escaped. (smacking his fist into his palm) Bookmarker...

Bookmarker: Hahaha, I've already swiped thirty-two bookmarks from innocent readers!

Action Man: (smacking his fist into his palm) Rotund Redneck...and the Hee Haw Hick...

Rotund Redneck: We're gonna bash you good!

Hee Haw Hick: Yee-uup!

Action Man: (smacking his fist into his palm) Corpulent Communist...

Corpulent Communist: (Russian accent) Da.

Breta: (annoyed) How many mortal enemies does he have?

Juzan: Just a few more.

Action Man: (smacking his fist into his palm) Flatulent Farmer...

Flatulent Farmer: (he was looking away until he heard his name called) What?

Action Man: (smacking his fist into his palm) The Corporate Mogul...

Corporate Mogul: (in a Donald Trump like voice) You're fired.

Action Man: (smacking his fist into his palm) Giggly Room Jezebel...

Giggly Room Jezebel: Umm like whatever...like...you're so totally not cool.

Action Man: (smacking his fist into his palm) Bookmarker...

Bookmarker: You already did me! Enough of this, Rotund Redneck, release the vampire we built from the parts of other vampires! Hahahahahaha.

(he opens the casket and the battle starts between the heroes and the villains)

Vampire: Blah!

(the punches have word blurbs like "pow" and "bam", but also they have "insert bludgeoning word here" and "this scene is sponsored by fat jack's outdoor shack")

Action Woman: Ahh! Someone tore my shirt exposing my bra, oh the humanity.

Action Man: (quickly putting the piece of her shirt he tore behind his back) Who could have perpetrated such a crime?

Breta: This is the dumbest movie ever. Look, isn't that a stagehand in the corner?

(as the fight continues, in the corner of the screen a fat and disgusting stagehand burps and scratches his armpit, then reaches into a box and starts chewing on a donut)

Director: (from off camera) Larry, get off the stage!

(the fat stagehand looks off camera for a few seconds, then back to the donuts and starts eating more, Breta just sighs again, in the movie the situation looks grim for the heroes)

Action Man: Blast, this looks grim. There's only one hope left. The vampire may be stronger than us, but that's nothing a little light can't fix.

Sidekick Boy: But there's no light in this room!

Action Man: You leave that to me. You know I always keep a can of "Shutter Opener Spray" in my utility belt.

(he takes out a spray can from his belt that reads "Action Man Shutter Opener Spray and sprays it in the air, the shutters open and the light blows up the vampire, who yells out "Blah!" before he dies.)

Action Man: Now we've got you all cornered. Surrender now evildoers or face our wrath!

Bookmarker: Sorry Action Man, but we planned for this already. Flatulent Farmer, it's time.

(Flatulent Farmer farts, making a gas cloud that makes the heroes cover up as the villains escape)

Action Woman: Curses, they escaped. What will we do now Action Man?

Action Man: (looking down at Action Woman) Fear not Action Woman, I won't rest until we bring them to justice...unless we can't catch them by lunchtime, in which case we *will* rest before pursuing them.

Action Woman: Um, my face is up here.

(the camera pans out to show Action Man was looking down at her breasts, not her face)

Action Man: Never question Action Man's decision! And now let me say that wherever injustice and corruption is...Action Man is there too!

(as the heroes make their classic poses, another fat stage hand walks on stage and starts chewing on donuts with the other one. Breta just sighs once again in disgust as Juzan and Tino enjoy themselves, the episode ends as the scene changes to Lock continuing to spar with Musa.)
